

IN MEMORY OF A *Special Daughter*

*It's sometimes hard to know
why some things happen as they do,
For so much joy and happiness
was centered around you
It seems so hard to comprehend
that you're no longer here,
But all the happy memories
will help to keep you near
You're thought of often,
Daughter with each mention of your name,
Death cannot change a single thing
the love will still remain.
Love, Mom and Dad*

The Broken Chain

*We little knew that morning
that God was going to call your name.
In life we loved you dearly, in death we do the same.
It broke our hearts to lose you, you did not go alone;
For part of us went with you,
the day God called you home.
You left us peaceful memories,
Your love is still our guide;
and though we cannot see you,
You are always at our side.
Our family chain is broken, and nothing seems the same;
But as God calls us one by one,
The chain will link again.
Love, Your Brothers and Sister*

and acknowledge with great appreciation your kindness during

mean so much to us during this difficult time. Your kindness
