Me-Angel

As I write this poem with tears running down my face,
I can hear you Aunt Cilla saying, "**Hey Me-Angel**".

I will stay in our moment.

Moment by Moment, Day by Day, Month by Month, and
Year by Year I loved you.

My love for you will never go away, it's here to stay.

I know in my heart; you would say the same.
I believe you are at Peace, and you are with the "Prince of
Peace, our Heavenly Father".

I know you are in God's Hands now and not my hands.

With these hands I continue to write these words, I will never
forget our talks, laughs, and hugs. I will never forget how much
you mean to me. I hold you in my heart, nothing will keep us
apart. This is a new start without you. I will hold on to our
Moments together, forever.
