

***Gone, But Not Forgotten***

*by: Ellen Brenneman*

*Don't think of him as gone away  
His journey's just begun,  
Life holds so many facets  
This earth is only one.*

*Just think of him as resting  
From the sorrows and the tears  
In a place of warmth and comfort  
Where there are no days and years.*

*Think how he must be wishing  
That we could know today  
How nothing but our sadness  
Can really pass away.*

*And think of him as living  
In the hearts of those he touched  
For nothing loved is ever lost  
And he was loved so much.*
