## *When Tomorrow Starts Without Me*

*When tomorrow starts without me,  
And I'm not here to see,  
If the sun should rise and find  
your eyes, filled with tears for me.*

*I wish so much you wouldn't cry,  
The way you did today,  
While thinking of the many things,  
We didn't get to say.*

*I know how much you love me,  
As much as I love you,  
And each time you think of me  
I know you'll miss me too.*

*When tomorrow starts without me,  
Don't think we're far apart,  
For every time you think of me,  
I'm right there in your heart.*
