~ Better Place ~

*She's in a better place right now
Than she's ever been before;
All pain is gone, she is now at rest;
Nothing troubles her anymore.*

*It's we who have the burden of
sadness and our grief;
We have to cry, to mourn our loss
Before we get relief.*

*We know we'll connect with her
at the end of each life's road;
We'll see her cherished face again
When we release our earthly load.*
