~ To Grandma ~

Thank you for your endless love that was unconditional and your wisdom. Thank you for that extra push that was always needed. I will miss your voice, your smile and your laughs. I've always admired your beauty and your strength. You were the light in our family. Thank you for the countless sacrifices. Everything you have ever did, it never went unnoticed.

To have a grandma like you, is an honor. Forever grateful.

It's hard to let you go and it hurts. So this won't be a goodbye.
