Acknowledgements

The White Family is beyond measure for the generous outpouring of tangible expressions and sympathetic concern that has been extended to them. They believe that "grief is lessened when it is shared", and your sharing of this desolate period with them has made the pain easier to bare. Each act and deed has brought them consolation. "May God find favor in your christian endeavors and may He richly bless each of you,"

Miss Me But Let Me Go

When I come to the end of the road

And the sun has set for me,

I want no rites in a gloom-filled room,

Why cry for a soul set free.

Miss me a little, but not too long,

And not with your head bowed low.

Remember the love that we once shared,

Miss me, but let me go.

For this journey that we all must take,

And each must go alone.

It's all a part of the Master's plan,

A step on the road to home.

When we are lonely and sick at heart,

Go to the friends we know,

And bury your sorrows in doing good deeds,

Miss me, but let me go.

All United Again...

**We didn't really leave you; We were just one step ahead
Waiting here, with you in our heart
Clutching a golden thread**

**That binds us all together, it shines and it reminds
That although the wait was painful
We are now all united in time.**

**To spend eternity together, to keep each other close
To relive the joy that once we knew
And if god wills, who knows**

**That golden thread will run unbroken, shining throughout time
Forever there, to keep our heart
Firmly bound and wound.**

Mama

You taught us to **Pray** always,
Work hard, and **Dream** big.
You stood by our side no matter what
and always reminded us to put God first in our lives.

Rest In Peace

With love and thanks for being the great
Mother you were.

Love you, Michelle and Casey

Nana

Thank you for...
Unconditional love. Your Advice.
Your thoughtfulness. Your voice of reason
Your support. Your thoughtfulness
Your patience. Your protection
Your hugs. Your beautiful heart
Your listening ear. Your kindness
Your ability to create the best memories.
Your Wisdom. Your caring nature.
Your reassuring voice. Your encouragements.
But most of all thank you for being you!

Love You, Kenya and Regene'

To Those Whom
I Love and
Those Who Loved Me

When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.

I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.

So grieve for me a while, if grieve you must,
Then let your grief be comforted by trust.
It is only for a while that we must part,
So treasure the memories within your heart.

I won't be far away for life goes on.
And if you need me, call and I will come.

Though you can't see or touch me, I will be near.
And if you listen with your heart, you'll hear,
All my love around you soft and clear.

And then, when you come this way alone,
I'll greet you with a smile and a 'Welcome Home'.
