*"Your life was a blessing,
your memory a treasure.
You are loved beyond words
and missed beyond measure."*

Farewell Dear Mother

*Somewhere in my heart beneath all my grief and pain,
Is a smile I still wear at the sound of your dear name.
The precious word is 'MOTHER', she was my world you see,
But now my heart is breaking cause she's no longer here with me.*

*God chose her for His angel to watch me from above,
To guide me and advise me and know that I'm still loved.
The day she had to leave me when her life on earth was through,*

*God had better plans for her, for this, I surely knew.
When I think of her kind heart and all those loving years,
My memories surround me and I can't hold back the tears.
She truly was my best friend, someone I could confide in,
She always had a tender touch and a warm and gentle grin.
I want to thank you Mother for teaching me so well,
And though the time has come that I must bid you this farewell.
I'll remember all you've taught me and make you proud you'll see.*

*Thank you my Dear Mother for all the love you showed me.
Although you've left this earth and now you've taken flight,
I know that you are here with me each morning, noon and night.*

Scripture

*"She openeth her mouth with wisdom; and in her tongue is the law of kindness.
She looketh well to the ways of her household, and eateth not the bread of idleness. Her children arise up, and call her blessed; her husband also, and he praiseth her"*

Proverbs 31:28

"Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him."

1 Thessalonians 4:13-14

I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God has laid you see.
I took His hand when I heard him call
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work, to play.
Tasks left undone must stay that way
I found that peace at the close of day.*

*If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee
God wanted me now; He set me free.*
