### *He Is Not Gone*

Ease your grief he is not gone,  
For in your heart he lingers on.  
His smile, his laugh, his special way,  
Will comfort you from day to day.

You'll feel his presence in the breeze,  
That dances gently through the trees,  
And it's his face that you will see,  
When you're in need of company.

At any time, you can recall,  
That love you shared...you saved it all.  
And in time, more than anything,  
You'll find peace in remembering.
