The Postlude

*When I Come to The End  
 When I come to the end of my journey  
 and I travel my last weary mile,  
 just forget, if you can, that I ever frowned  
 and remember only the smile.  
 Forget unkind words I have spoken;  
 remember some good I have done.  
 Forget that I've stumbled and blundered  
 and sometimes fell by the way.  
 Remember I have fought some hard battles  
 and won, ere the close of the day*

***-To Our Mother-***

*Throughout our life, you have always been near. At first you were a  
 hand to hold. The person who came running to pick us up when we  
 fell. Now we know you are always a whisper and prayer away. We  
 are so thankful for your wisdom, advice, your words of  
 encouragement and your silent prayers. If we are beautiful, its  
 because you told us so. If we are strong, it's because you showed us  
 how to pick ourselves up, to move on and learn from our mistakes.*

*Thank you so much for everything you were to us.*

*We Love You, Mom!*
