HUMBLE *Acknowledgement*

We, the family of Derrick Brathwaite, extend our deepest appreciation for the compassion, comfort, and support offered to us during this sorrowful time. Your kind messages, prayers, and thoughtful acts have helped uplift our spirits and bring us peace.

We're especially grateful to all who played a part whether by guiding us spiritually, assisting with arrangements, or showing up with loving care. To those who traveled, brought food, sent floral arrangements, or simply offered a warm presence thank you.

Even in our grief, we are reassured by the love Derrick inspired. His memory will forever be cherished. May every one of you be blessed for the warmth and understanding you have shown.

With Love,

The Family of Derrick Brathwaite

FOREVER IN OUR HEARTS

A LEGACY OF *Love*

Derrick was born on September 11, 1986, in Waverly, Florida, to Bonita Robinson and the late Clyde Green. He was a man whose presence could never be ignored. His infectious smile, unmistakable laugh, and larger-than-life personality brought joy wherever he went. To know Derrick was to know someone who embraced life fully, loved deeply, and lived each day boldly and without hesitation.

Derrick leaves to cherish his memory his loving mother, Bonita Robinson; his beloved children, Jourdain Brathwaite, Zion Brathwaite, Ryder Rodriguez, and Milani Christian; and his siblings, Brenda Evans, Arnold Brathwaite, Leslie Brathwaite, Courtney Green and a host of nieces, nephews, cousins and friends.

A hardworking and ambitious man, Derrick was excited to embark his new career operating a box truck, taking pride in providing for his family and approaching every opportunity with determination and dedication. He believed in working hard, enjoying life, and never hesitated to pursue what mattered most."
