Legacy OF Love

A wife, a mother, a grandma too,
This is the legacy we have from you.
You TAUGHT US LOVE and how to fight,
You gave us strength, you gave us might.
A stronger person would be hard to find,
And in your heart, you were ALWAYS KIND.
You fought for us all in one way or another,
Not just as a wife not just as a mother.
For all us you gave your best,
Now the time has come for you to rest.
So go in peace, you've earned your sleep,
Your love in our hearts, we'll
Eternally Keep.

Acknowledgement

The family of wishes to express our sincere thanks and gratitude for the many comforting acts of kindness and sympathy shown during the passing of our loved one.

Tributes to Moma and Grandma, from your family

As kids, 410 JL wasn't just an address. It was the heart of our family. The house they made a home to SO many of us. It was full of love, laughter, and lifelong memories! From building a pool in the backyard. to cookouts, birth-days, winter storms with no power. Us roasting marshmallows and grabbing snow to make my granddaddy's snow cream he taught us how to make. coloring in coloring books to pass the time. Cutting grass together, all of us with rakes and trash bags in hand (like it or not), and they always locked the door until we finished and let's not forget being just a little embarrassed to be seen in "Big Blue," my grandparents' old-school van. Every moment meant something because of them. Grandma, you gave us everything. Your strength, your love, your wisdom. and you gave a long, beautiful fight. Rest now, Lady. We love you deeply, and we'll miss you more than words. can say.

Grandma Julia,
I was the first born grandchild and was spoiled ROTTEN by everybody in the house! You was a mother to me, I can never repay you for raising me, clothing me, keeping a roof over my head, protecting me, supporting me! I was always fed and never wanted for nothing! You did the best you could. What I wouldn't do to be 10yrs old again, riding in the backseat of your car on the way to Newberry listening to the blues with you and granddaddy Joe! I remember yall sent me to Newberry to stay and after calling you on a pay-phone collect, telling you I want to come home, y'all drove to pick me up the same night. I was too young to know how blessed i was to have you! To have yall!!! My childhood was the BEST! You nurtured me and made me get back up again to keep going. I just wanted to say thank you for always being there. Rest easy Grandma! I love & miss you always!
