Together Again

No Love Like a Mother's Love

There is no love, like a mother's love,
no stronger bond on earth...
like the precious bond that come from God.
to a mother, when she gives birth.

A mother's love is forever strong,
never changing for all time...
and when her children need her most,
a mother's love will shine.

God bless these special mothers,
God bless them everywhere....
for all the tears and heartache,
and for the special work they've done.

Now her days on earth are over,
a mother's love lives on...
through many generations,
with God's blessings on each one.
