***Joshua Shane Dronebarger***

Jason Shane Dronebarger was born January 6, 1981, in Austin, TX and resided in Alabama until his transition into eternal life on August 2, 2025.

He is survived by his mother, Debra Tuberville; grandfather, Warren Dronebarger; one daughter, Viviana of Texas; sister, Heather Studer; brothers, Jason Studer of Texas, Kenneth Tuberville of North Carolina, and Derek Tuberville; one aunt, Shannon of Alabama and many nieces, nephews and cousins.

He was fun loving with a big heart, free spirited and loved his Cadillac cars, which he kept spotless, and always had to look fresh. He was known by many as "Tiny Sunshine". He has joined his grandmother, Carol, and uncle, Todd, in Heaven, and will be greatly missed by all who knew him well.
