Mama

I'm going to miss your face.
Even though you were here a hundred years.
There is nothing that can stop the tears.
I will always love you and miss you so much.
If my love could have kept you near,
you would still be here.
You were part of God's plan,
He reached for your hand.
I watched your steps get shorter
and your conversations get to be fewer.
Mama I will always love you and
you will forever live in our hearts.
Mama take your rest.

Love, Yolanda & Henry

From Your Grandchildren - For Our Gran-Gran

Gran - Gran, your love
Shaped each of us in
ways words can barely hold.

Your gentle hands, your steady
wisdom, your warm laughter
became roots we grew from.

Though we miss you deeply,
Your light stays with us -
in the memories we share,
in choices we make, and in the
love we'll carry forward.

Rest peacefully, Gran - Gran.
Your legacy lives in all of us.

God's Garden

God looked around His garden and found an
empty space; He then looked down upon
the Earth and saw your smiling face.

God's Garden must be beautiful. He only
takes the best; He put His arm around
you, and lifted you to rest.

It broke our hearts to lose you
but you didn't go alone.
For part of us went with you
the day God called you home.

GOD LOOKED

God looked around His garden and found an empty place.
He Then looked down upon the earth and saw your tired face.
He put his arms around you and lifted you to rest.
God's garden must be beautiful He always takes the best.
He saw the road was getting rough, and the hills were hard to climb.
So He close your weary eyelids and whispered,
"Peace Be Thine".
It broke our hearts to lose you, but you didn't go alone,
"For part of us went with you, the day God called you home".
