

*Remember me*

*Don't remember me with sadness, don't remember me with tears. Remember all good times shared throughout the years. Now I am contented that my life was worthwhile. Because I know by loving you that I made you smile. When you are walking down the street and you've got me on your mind, I'm walking in your footsteps only half a step behind. So please don't be unhappy just because I'm out of sight, Remember that I'm with you every morning, noon and night.*

*Love Always, Netta*

## Obituary

**Arnetta Johnson Warmasley** was born August 16, 1951, to the parentage of Earnest and Minnie Johnson.

Arnetta accepted Jesus Christ as her Lord and Savior at an early age, was baptized and became a member of what is now the New Eastside Baptist Church. She served as a faithful musician, youth director, praise dance director and drama director at many churches throughout DeSoto Parish. She reunited with and served at Corinth Baptist Church and was a faithful member until her latest illness and death.

Arnetta left high school early and entered Southern University of Baton Rouge straight from her junior year of high school. She was one of 2 students who graduated summa cum laude with a Bachelor of Music. She later became a certified school teacher. She worked as a teacher for over 30 years in DeSoto Parish.

During her life, Arnetta was a loving mother who devoted her life to her children and the children she taught and mentored. On November 10, 2024, the Heavenly Father saw that she was tired, decided to end her suffering and called Arnetta to her Heavenly Home to rest. She will be truly missed.

She was preceded in death by her parents Earnest Johnson and Minnie Jones Johnson and sister Earnestine.

She leaves to cherish her memories: **(1) brother** – Bobby Johnson, **(2) daughters** – Arianna Robinson (Deon), Alanna Thomas, **(1) Grandson** - Caleb Robinson **(1) Fur Son** – Blue. A host of cousins, other relatives, former students and her church family.

### To My Other Mother

You were the most gracious woman that I know. You accepted me and loved me like your very own. You were my voice of reason in so many situations. You were one of my biggest influencers. You believed in me; you pushed me and challenged me. You birthed the spirit of praise dancing and worship inside of me. You taught me character. And anytime I needed you, you were always there. I am grateful for the time that you shared in my life. Your teaching and guidance still lead me to this day, in ways that you may not have ever known. You touched the lives of so many people, but for me, you changed my life. But now it's time for you to get your rest. No more pain. No more hurt. Until we meet again rest in the arms of Jesus. I love you always, your other daughter, Tammy.

### Tribute to Netta

Netta, thank you for being a strong role model in my life. The life lessons that you have left with me will forever hold dear to my heart. You left a strong impression on my life and showed me a way to express my love for Christ at an early age through praise dance. You provided many opportunities for us to minister through dance and was dedicated to supporting us every step of the way. I will forever be grateful for everything that you did for me and will always be here for Arianna and Alanna. You've fought a great fight, and I know you are in heaven watching over us all. I love you and know that you will be missed always. Love, Courtney

When I first met you, I thought you were mean, lol. But once I got to know you, I realized that you were a sweet person. You just did not play about your girls. You wanted to always make sure they were ok and treated well. You were more than just an in-law; you were like a mother to me. I love you and will miss you deeply. Deon

I love you and I am going to miss you, Cookie. Caleb

To my mom (my Superwoman)

The honor of calling you mom is the greatest honor I could ever have. From the moment I was born, you showered me with unconditional love and support. You never missed a beat from special occasions, school events, Dr's appointments, etc. For EVERY moment, whether happy or sad, you were there to support me no matter what! Even in these last few years, with all the issues you had, you were there always. You introduced me to God and made sure I was always active in church. Because of you, I became a praise dancer, and I haven't missed a beat since. I'm grateful for everything you taught me. The bond we share can never be broken even now. Thank you, Netta, for being not only the best mom but also for being my best friend. This is a hard one for me. I miss you so much, my girl, and will forever cherish EVERY moment God gave you to me. Although sad, I take comfort in knowing you have no more pain and suffering! You got your healing! Love you forever 💖 Your daughter Alanna (Lanni)

To my mom (My Netta)

To say that you were the best mother, is an understatement. There is never a moment that I can remember that you have not been there. When no one else was there, you were. You loved unconditionally. You are the epitome of strength and dignity. I view you as Superwoman. You loved God and taught me to do so from birth. You introduced me to a life-long ministry of praise dancing. The day you closed your eyes on this side was the worst day of my life. I miss you so much until it hurts. The selfish human part of me wants you back. But I take comfort in knowing that even though it's different from the way I wanted, you got your healing. I strive to follow your example and live a life pleasing unto God so that I can see you again. I can never say goodbye. There are no words to express how much I love you, my girl. Get your rest! I'll see you later my love. Love forever and always. Your daughter Arianna
