# Poem

We cannot know what lies ahead from day to passing day  
What changes God is planning in His wise and loving way  
We cannot know the reason he allows both joy and tears  
Why we must lose the precious ones we cherished through the years  
We cannot know, but we can trust, And faith can help us find our way  
To those tomorrows that will bring us peace of mind.

*Lovingly Submitted by the Family*
