

Afterglow

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

*I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.*

I'd like the tears of those who grieve, to dry before the sun;

Of happy memories that I leave when life is done.

-Love, Your Family!
