## A Gift of Love

*Time is not measured by the years that you live  
 But by the deeds that you do and the joy that you give...  
 And from birthday to birthday, the good Lord above  
 Bestows on His children the gift of His love,  
 Asking us only to share it with others  
 By treating all people not as strangers but brothers...  
 And each day as it comes brings a chance to each one  
 To live to the fullest, leaving nothing undone,  
 That would brighten the life or lighten the load  
 Of some weary traveler lost on life's road...  
 So, what does it matter how long we may live  
 If as long as we live, we unselfishly give.*

*Love The Family*
