- Safe Within My Heart -

Feel no guilt in laughter, he knows how much you care.
Feel no sorrow in a smile that he's not here to share.
You cannot grieve forever, he would not want you to.
He'd hoped you can carry on, the way you always do.
So, talk about the good times and the way you showed you cared.
The days you spent together, all the happiness you shared.
Let memories surround you, a word someone may say.
Will suddenly recapture a time, an hour or a day.
That brings him back as clearly as though he was here.
And fills you with the feeling that he is always near.
For if you keep these moments, you will never be a part.
And he will live forever, locked safe within my heart.
