To My Husband

Sometimes it’s hard to find words to tell you how much you mean to me.

If I did anything right in my life, it was when I gave my heart to you. You are my best friend, my soulmate, my everything.

I Love You,
Always & Forever

Better Place

There’s a place I’ve never seen beyond this world we know,
A place I’ve only heard of but someday hope to go.

It’s not on any map there are no roads to take me there,
But it’s a place of perfect peace where hearts are free from care.
And though I understand some may be saddened when I leave,
One day we will all meet again, that’s what I believe.

When it’s time to travel there, I think I’ll wear a smile,
I’ll say goodbye to those I love but only for a while.

Knowing there are others who have traveled there alone,
Who cannot wait to greet me and to whisper, “Welcome home”.
