

- *My Angel*  
*Up In Heaven* -

My angel up in heaven  
I wanted you to know  
I feel you watching over me  
Everywhere I go.

I wish you were with me  
But that can never be  
Memories of you in my heart  
That only I can see.

My angel up in heaven  
I hope you understand  
That I would give anything  
If I could hold your hand.

I'd hold you of so tightly  
And never let you go  
And all the love inside me  
To you I would show.

My angel up in heaven  
For now we are apart  
You'll always live inside of me  
Deep within my heart.

Love you always,  
Francesca Pearson

Recessional

*My heart is heavy with the loss of my cousin, who was like a brother to me growing up. Life has a way of pulling us into our own paths, and I hate that we drifted apart as adults. But even in those times of distance, the love was always there, constant and unwavering. He was a wonderful human being, and the world feels a little less bright without him. I'm comforted by the posts I've seen, describing him exactly as I remember — a quiet, laid-back guy with the kind of energy that made everyone feel at ease.*

*Trent will be deeply missed by me and so many others.*

*Your cousin, Ashley*
