## *- No One Will Every Know -*

*We do not need a special day  
To bring you to mind.  
The days we do not think of you  
Are very hard to find.  
Each morning when we awake  
We know that you are gone.  
And no one knows the heartache  
As we try to carry on.  
Our hearts still ache with sadness  
And secret tears still flow.  
What it meant to lose you  
No one will ever know.  
Our thoughts are always with you  
Your place no one can fill.  
In life we loved you dearly  
In death we love you still.*
