- Forever in Our Hearts -

He lived with laughter, love, and song,
A rhythm that will linger long.
His voice, his smile, his gentle way,
Still light our hearts from day to day.

He sang with joy, with spirit bright,
His warmth could make the darkest light.
Through every verse, through every rhyme,
He touched our hearts beyond all time.

A loving son, so kind and true,
He gave his best in all he'd do.
With family dear and friends so close,
He showed the love he valued most.

Though quiet now, his rest is sweet,
His journey here made life complete.
We'll hold his name in memories clear,
His laughter still feels close and near.

We wait the day, with faith and peace,
When pain and sorrow all will cease.
For life will bloom, just as foretold—
A promise certain, pure, and bold.

So when our hearts begin to ache,
We'll find our comfort, for his sake.
For love like his will not depart—
He lives forever in our heart.

Recessional

If tears could build a stairway,
And memories a lane,
We would walk that path so softly,
To see your face again.

Our hearts ache with sadness,
And silent tears still flow.
What it means to love you,
No one can ever know.

Since you'll never be forgotten,
We pledge to you today—
A cherished place within our hearts,
Is where you'll always stay.
