- *Better Place* -

I'm in a better place right now,
Than I've ever been before;
All pain is gone; I'm now at rest;
Nothing troubles me anymore.

I know we'll reconnect one day,
At the end of each of your life's road;
I'll see your cherished faces again,
When you are released
From your earthly load.

- *My Mom is a Whisper* -

My mom is a whisper in the soft summer breeze.
She's the gentle rustle of leaves on the trees
She's the smell of the rain on a warm sunny day.
And the bright, happy colors when children play.
When I look at the stars, I know she is there,
A quiet, warm hug that's always in the air.
She's the song in my heart when I think of her smile,
And she's walking with me, mile after mile.
Though I cannot see her, I know she is near.
Her love fills my world, so I don't have to fear.
In every sweet memory, she's right by my side,
My mama, my angel, my heart's loving guide.
