Forever in My Heart

To my sweet baby, I never thought your time would be so short. In that small amount of time, you blessed my life enormously. I'll miss seeing you run up to me every time you saw me, giving me the hugs that made me feel so loved. It was never a dull moment with you. It hurts to have lost you, but I know heaven has gained a beautiful angel. Just know that you will be truly missed and you'll forever be the coolest kid I know. I will love you forever my "Kool Kid".
