When I come to the end of the day
And the sun has set for me I want no rites in a gloom-filled room.

Why cry for a

Soul set free?

Miss me a little, but not too long

And not with your head bowed low.

Remember the love we once shared-Miss me, but let me go.

For this is a journey we all must take

And each must go alone. It's all a part of the Maker's plan,

A step on the road to HOME.

When you are lonely and sick at heart
Go to the friends we know, & bury your sorrows
In doing good deedsbut let me go.
