Remember You

Mother we will remember you
as you came here in the rebirth of spring.
Mother we will remember you in the cold chill of winter,
May every year of the winter days bring memories of you, Perhaps
the snow, as every flake falls. May it warm our face as you've
warmed our hearts. For that's how we will remember you. As
days goes on and spring gets closer. The blooming of you will
always come around. Mother, we will Remember You.
