

A woman with dark hair, wearing a blue and black patterned dress, stands in a field of pink roses. Several monarch butterflies are scattered around her. The background is a soft, light pink color.

The Serenity Prayer

God grant me the serenity
To accept the things I cannot change;
Courage to change the things I can;
And wisdom to know the difference.

Living one day at a time;
Enjoying one moment at a time;
Accepting hardships as the pathway to peace;
Taking, as He did, this sinful world
As it is, not as I would have it;
Trusting that He will make all things right
If I surrender to His Will;
So that I may be reasonably happy in this life
And supremely happy with Him
Forever and ever in the next.

Amen.
