The moment that you died my heart was torn in two, one side filled with heartache, the other died with you. I often lie awake at night, when the world is fast asleep, and take a walk down memory lane, with tears upon my cheeks. Remembering you is easy, I do it everyday, but missing you is a heartache that never goes away. I hold you tightly within my heart, and there you will remain, Until the joyous day arrives, That we will meet again,

*I love you,
Your Sister, Jamya*

DEAR BROTHER YOUR MEMORY WILL NEVER FADE

*My dear brother, now that you are gone, you're no longer here to share the bond we had together. A bond of love and care Yet, somehow something tells me you are watching over me Now that from worldly cares, you are finally free I miss you so very much and my tears I cannot hide, within my heart, I feel you are always by my side. Ever since you went away life has never been the same
Yet, it comforts me to know that one day we'll meet again.*

*Love your brothers,
Martavias and Darien*
