TO MY DADDY ;

You held my hand when I was small,
you caught me when I fell the hero of my
childhood and of latter years as well
Every time I think of you my heart just fills with
pride, all though I will always miss you dad I
know you're by my side
In laughter and in sorrow, in sunshine and in rain
I know you're watching over me until we meet
again daddy "peace up a town down"
