FOREVER *In My Heart*

*Right now I'm in a different place
And though we seem apart
I'm closer than I ever was,
I'm there inside your heart.*

*I'm with you when you greet each day
And while the sun shines bright
I'm there to share the sunsets, too
I'm with you every night.*

*I'm with you when the times are good
To share a laugh or two,
And if a tear should start to fall
I'll still be there for you.*

*And when that day arrives
That we no longer are apart,
I'll smile and hold you close to me,
Forever in my heart.*
