

Butterfly Kisses

Don't cry for me, please don't be sad.

Hold on to the memories of the times we both had.

Don't dwell on dark thoughts, hold on tight to your wishes.

Sending you hugs and butterfly kisses.

I walk beside you, I am there all day long.

I am right here, but you think that I'm gone.

You don't see me, but I can see you.

Whatever the problems are, I will see you through.

I am the wind in your hair, the sand in your toes,

Butterfly kisses that you feel on your nose.

I am with you at sunrise and in sunset,

But you can't see me is my one regret.

I sit right beside you when you watch as you look through the

photos and videos we both had.

I watch you sleeping, I hold you tight.

Before I go, I kiss you goodnight.

I will watch you from heaven above.

Forever you will be my one true love.

Hold on to your dreams and all your wishes.

Sending you hugs and butterfly kisses.

Love, Makayla

In Loving Remembrance

Don't cry because I am gone. Smile because I was here.

Fill your life with love and laughter and faith.

It was my time to leave, but it is your time to live.

Someday we will be together again, but until then, know that

I am in your heart, and your happiness will bring me peace.

Love, Shirley
