

WHEN I AM GONE

When I am gone, release me and let me go
I have so many things to see and do.

You mustn't tie yourself to me with too many tears,
Be thankful we had so many years. I gave you my love,
and you can only guess, how much you've given me in happiness.

I thank you for the love that you have shown,
but now it is time I traveled on alone.

So grieve for me a while, if grieve you must,
then let your grief be comforted by trust

That it is only for a while we must part,
So treasure the memories within your heart.

I won't be far away, for life goes on.

And if you need me, call and I will come.

Though you can't see or touch me, I will be near

And if you listen with your heart, you'll hear

All of my love around you, soft and clear.

and then when you must come this way alone,
I'll greet you with a smile and a "Welcome Home"
