I give you this one thought to keep,
I am with you still, I do not sleep.
I am a thousand winds that blow,
I am the diamond glints on snow.
I am the sunlight on ripened grain,
I am the gentle autumn rain.

When you awaken in the morning's hush,
I am the swift, uplifting rush of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not think of me as gone,
I am with you still; in each new dawn.
