Don't remember me with sadness,  
Don't remember me with tears,  
Remember all the good times.  
Shared throughout the years.

Now I am contented,  
That my life was worthwhile,  
Because I know by loving you  
That I made you smile.

When you are walking down the streets,  
And you've got me on your mind,  
I'm walking in your footsteps.  
Only half a foot behind.

So please don't be unhappy,  
Just because I'm out of sight,  
Remember that I'm with you,  
Every morning, noon and night.
