

In memory of an angel so bright and free,
Whose laughter echoed through life's tapestry.
She loved her family with all her heart,
And now, in heaven, she'll never depart.

With a smile that could light up the darkest day,
She brought joy and warmth in every way.
A traveler at heart, she roamed far and wide,
Exploring the world with an adventurous stride.

Beneath that joy, a heart did ache,
For the loss of her dad, her soul did break.
Yet, through the tears and the darkest night,
She found the strength to continue the fight.

Now she's found her rest in a heavenly place,
Where she can embrace her father's loving grace.
Together, they'll watch over those left behind,
Guiding us with love, in their hearts entwined.

Even though she's gone, her spirit lives on,
In the memories we cherish, even when she's gone.
Now with her father, she'll never be alone,
Together, in heaven, they've found their home.

Let's celebrate her life, and the love she gave,
And remember her fondly in every laugh she gave.
In the arms of her dad, may she forever reside,
In the peaceful, loving heaven, where they both now abide.
