

## To My Mom....

When I was a boy,  
You always seemed to know  
when to offer a helping hand,  
when to give  
a gentle nudge,  
and when to step back  
to let me try  
my own wings...  
When I became grown,  
It was nice to know  
I could still count on you  
for your guidance,  
your wisdom  
and, most of all,  
your love. –  
*Love Your Boy, Tony*

## Angel

Tear drops, slow and steady,  
The pain so real and true,  
God took another angel,  
And that angel, dear, was you.

Angel wings, upon the clouds,  
Your body softly sleeps,  
Hush now little angel,  
No more tears you have to weep.

Little prayers are sent to you,  
The short life you led;  
Your family will never forget you,  
So rest your little head.

I know God will look after you,  
Now you are truly alive,  
Your spirit soars beyond the moon,  
Your legacy will survive.

You're beautiful, you're endless,  
Now stretch your wings and fly,  
You're loved by so many,  
It will never be goodbye.

Close your pretty eyes,  
No more tears, just go and rest,  
Let your soul lie peacefully,  
We know you did your best.
