

## TO MY OG

Ma, I wasn't ready, but God was! I love you so much and I am going to miss you more than my heart can bear to take. Death leaves a heartache no one can heal. Love leaves a memory no one can steal. Ma, I feel as though I can't make it without you, and this is by far the hardest thing I've ever had to deal with. But on the bright side of things there is no more pain, no more suffering. You're free of it all. You fought a good fight and I know you held on as long as you could. Ma. Your presence is deeply missed, and your memories are forever treasured. In my heart you will always be with me.

Ma, I love you always and forever.

Your baby girl
