

## IT IS WELL WITH MY SOUL

1. When peace, like a river, attendeth my way,  
When sorrows like sea billows roll;  
Whatever my lot, Thou hast taught me to say,  
It is well, it is well with my soul.

### CHORUS:

It is well with my soul,  
It is well, it is well with my soul.

2. Though Satan should buffet, though trials should  
come,  
Let this blest assurance control,  
That Christ hath regarded my helpless estate,  
And hath shed His own blood for my soul.

### CHORUS

3. My sin—oh, the bliss of this glorious thought!—  
My sin, not in part but the whole,  
Is nailed to the cross, and I bear it no more,  
Praise the Lord, praise the Lord, O my soul!

### CHORUS

4. And Lord, haste the day when the faith shall be sight,  
The clouds be rolled back as a scroll;  
The trump shall resound, and the Lord shall descend,  
Even so, it is well with my soul.

# OBITUARY

LOUIS ALFREDO LEONARD (FREDDY) was born March 15, 1960 in Tortola, BVI, to Ezekiel Leonard and Geraldine Thomas Leonard. He graduated from Ivanna Eudora Kean High School, June 1978 in St. Thomas, USVI; where he studied advanced classes such as Electricity, Medal Works, Chemistry and Science. He later went on to college and graduated from California State University (Long Beach), June 1988 with an Engineering Degree. He was then led to one of his employments in St. Thomas as a computer repair technician.

Louis was proceeded in death by his brother: Winston Leonard Sr; mother: Geraldine Leonard; and father: Ezekiel Leonard.

He leaves behind to cherish, his brothers: Elton Leonard (Elda), David Leonard (Chris), Melvin Leonard, Elroy Leonard (Kenyetta); sisters: Claudia Leonard-Hughes (Joseph-deceased), Jennifer Leonard-Okoro (Moses), Dianne Leonard and a host of uncles aunts, nephews, nieces, cousins and friends.

**Tribute:** Louis and I became very close during his illnesses. I designated myself to be the sibling that would manage his affairs after he became incapable. I had also promised my Mother before she passed that I would do so to the best of my ability. Louis was a Christian who loved God. He was grateful to God for the strength and perseverance that was given to him. He was a praying person. He trusted God to the end of his life. I believed it was God's will that Louis' life ended on my birthday, so that I would always remember the bond we shared. Farewell my brother Louis until we meet again in God's Kingdom.

- Claudia Leonard-Hughes, sister

**Tribute:** It is with heartfelt sorrow that we the Class of 1978 of the Ivanna Eudora Kean High School offer our condolences to the family and friends of the late Louis “Freddy” Leonard. Louis as we remember him was quiet, humble and gifted. While in the courses of Chemistry, Physics and Mathematics, he solved the more difficult problems that challenged our Valedictorian. Louis when called upon would give the answers without arrogance! He was loved and appreciated for his character, integrity, dedication, intelligence and execution of our school’s motto, “Strive for Success”. He will be missed! Rest In Peace our beloved friend and classmate!

**Tribute:** Louis was my motivation for pursuing an Engineering Degree which ultimately led to my present career as a Science Educator; I wanted to dive deeper into the knowledge of electronics that he naturally displayed. I watched him on countless occasions tinkering with an assortment of electronic hardware on the porch of our childhood home. My big brother was a quiet, gentle, and a good-hearted person. I treasure the times I interacted with him in person and by phone after he relocated to Florida. It was during these times that I led him to say the Salvation prayer to receive Jesus Christ as his Lord and Savior.

- Jennifer Leonard-Okoro, sister

**Tribute:** I was the little brother behind Melvin, who was then behind Louis (Freddy). I was the one that tagged along after Freddy as he knocked on neighbor's doors for radio parts, tv parts, and computer parts. Or solicited for appliances needing fixing for a little extra money. He was the fix-it man. Growing up, fixing things, Freddy was in his zone, and when at his happiest. He went on to study Engineering at Cal State Long Beach. I will remember with loving memory, the Fix-It man, my brother, Louis.
