"J.T." TOLBERT

*It's alright to cry sometime, it's going to be ok, it's going to be fine.
We ALL have to leave someday and that's the SCARIEST thing!
A mother, a daughter, a sister, a grandmother, a friend, the life of
the party, My Auntie Janet, wow I love you I'm going to miss you.
My memories of you will have me laughing for years to come!!
Although you touched so many people with your death including
me in prison, it broke my heart calling home and hearing you're
gone Auntie!!! We all should CELEBRATE your life as you would
want us to!! Everybody say it with me, NO MORE PAIN!! That's
right auntie you're pain free, you're in a better place and that has
my mind at ease. My favorite memories of you will always be:
hearing about your gold tooth falling out at a party you attended
back in the day, the summers at your house, joking about how Lee
Lee (my granny) too nasty for me lol (if you know you know), your
FAMOUS burp lol it's a sound to hear, but I save the best for last:
When me, you, Daevon, and Deek went to Jabre' high school
football game when he was playing for Wolfson at Jackson and
Jabre' scored a touchdown you were jumping up and down,
dropped your chicken, in midst of your proud mom moment, Deek
pissed you off we left, he was driving and you were in the back seat
with me and Daevon making us laugh as you acted like you were
going to hit him lol. I can see you now Auntie, dancing with your
"drink" in your hand dancing to Jabeim. Thank you for being the
loving, caring, joking, Auntie anybody could ask for. I'll forever
cherish the memories that's stuck with me and will have me
laughing in tears for the rest of my life. When I get out, I promise
to come pay you a visit and trip off you like old times. Get your rest
Auntie*

Love your Nephew DaVaris
