When Tomorrow

Starts Without Me

*When tomorrow starts without me and I'm not there to see,
If the sun should rise and find your eyes, all filled with tears for me.
I wish so much you wouldn't cry, the way you did today,
While thinking of the many things we didn't get to say.
When tomorrow starts without me, please try to understand,
That an angel came and called my name and took me by the hand.
The angel said my place was ready in heaven far above,
And that I'd have to leave behind all those I dearly love.
When Tomorrow starts without me, don't think we're far apart,
For every time you think of me, I'm right here in your heart.*
