

OUR DEAR MOTHER

Somewhere in our hearts beneath all of our grief and pain,

Is a smile we still wear at the sound of your dear name.

The precious word is 'MOTHER', she was our world you see,
But now our hearts are breaking cause she's no longer here with us.

God chose her as His angel to watch us from above,
To guide us and advise us and know that we are still loved.

The day she had to leave when her life on earth was through,

God had better plans for her, for this, we surely knew.

When we think of her kind heart and all those loving years,
Our memories surround us and we can't hold back the tears.

She truly was a best friend, someone you could confide in,

She always had a tender touch and a warm and gentle grin.

We just want to thank you Mother for teaching us so well,

And though the time has come that we must bid you this farewell.
We will remember all you've taught us and make you proud, you'll see.

Thank you, Our Dear Mother, for all the love you have shown us.

Although you've left this earth and now you've taken flight,
We know that you are here with us each morning, noon and night.
