# ANGIE

Angie Lundy, affectionately known as "GeGe," was born on August 17, 1974, in Jacksonville, Florida, to Lorna Denise Lundy and Willie "Bill" Wells. She was educated in the Duval County Public School System and was a proud graduate of Andrew Jackson High School.

A gifted cosmetologist, Angie had a true passion for beauty and creativity. Her skills ranged from quick weaves and updos to dread locs, nails, shreds, and much more. Each style was specially crafted with care and flair. Her clients didn't just leave her chair looking beautiful, they left feeling empowered.

GeGe was known for her vibrant spirit and infectious energy. She loved to dance, laugh, and would light up any room she entered. She also loved to cook and clean. Whether GeGe was partying with friends or spending cherished moments with her grandchildren, her presence was always joyful and unforgettable. She found great joy in giving, especially during the holidays when she made sure everyone received a gift from her heart.

She was a source of wisdom and comfort offering down-to-earth advice, encouragement, and love to all who needed it. Her passion for cooking and her talent for making a house feel like a home will never be forgotten.

She peacefully departed this life on August 16, 2025, leaving behind a legacy of love, laughter, and light.

# A LOVING TRIBUTE TO MOM

My mother was more than a mom, she was my teacher, my covering, and the foundation God chose for me. Even in her struggles, she showed strength, and from her I learned resilience and faith that cannot be broken. I honor her not as a villain of my story, but as a creation of God whose life shaped mine in ways I will carry forever. I lay her to rest knowing her spirit lives on through me and the love she gave. Eternal rest is hers, and I will walk forward breaking generational curses in her honor.

# A LOVING TRIBUTE TO GRANDMA

"I love you so much you were my sweet lady. I'm going to make you proud and do everything we talked about. I love you and miss you so much.

It's forever me and you."

- WITH LOVE, CINCERE

"I love you grandma" - FAT-FAT

# A LOVING TRIBUTE TO A SISTER

Sister, I cry every day now that you're gone. Sister, you were real. I could tell you everything and you could tell me anything. I love you so much. Part of my heart is gone with you, but I know I must get it together for the kids. It's just something about your love and our bond that no one could break. I love you.

# A LOVING TRIBUTE FROM FAMILY & FRIENDS

Cousin,  
From the beginning, you were more than just family, you were my first friend, my partner in mischief, and my protector. Even if your motormouth started the chaos. Your smile was contagious, and your laugh unforgettable. You were always the life of the party, and your family meant everything to you. We will forever cherish the memories we share and carry you in our hearts. Eternal rest has been granted to you, Cousin Angie, may your soul rest in peace. Our bond will remain unbreakable.

LOVE,  
COUSIN RICCA BETHEA
