Thank you mom for always smiling even in the midst of pain.
You taught me sunshine would come after the rain.
You always fought for what was right.
You're the reason how I have new sight.
God called you home to soar a different height.

"Del"
1968-2026

A smile so wide with a heart so big; a friend to many with love that was felt.

Del was born October 10, 1968, in Colón, Panama. The eldest daughter of Robert and Patricia Thorne, Del embraced her role as big sister with pride and devotion. She was the steady example her two younger sisters looked up to—protective, nurturing, and often the one stepping in to shield them from trouble.

Del graduated from Wiesbaden High School and later earned a certification from Everest University as a Medical Administrative Assistant. She served nearly a decade at Madigan Hospital in Washington State. After relocating to St. Augustine, she continued her dedication to service as a secretary at a Christian Academy.

While building a life of her own in Colorado, Del met Eugene, the love of her life. They married in 1995, beginning a partnership rooted in deep affection, shared purpose, and unwavering commitment. As a mother, Del embodied the term "momma bear" —loving, firm, protective, and endlessly devoted to her children, Eugene Jr. and Diamond. She was the glue of her family, a pillar whose presence brought stability, comfort, and joy.

Del's faith was the true foundation of her life. She was an active member of every church she attended, most recently Evangel Temple in Jacksonville. Whether in early morning prayer, Women's Bible studies, Vacation Bible School, or Sunday services, Del lived out her faith with sincerity and strength. Her love for God radiated through her actions, leaving a lasting imprint on all who knew her.

Del joined her mother Patricia in rest on February 21st, 2026, and is survived by her husband, Eugene; her children, Eugene Jr. and Diamond; and her father, Robert.

Though her absence leaves a profound void, her family and friends celebrate a life well lived—a race faithfully run. Del has received the prize set before her, and her legacy of love, faith, and resilience continues to live in all who were blessed to know her.
