THE LIFE AND LEGACY OF ARTEZ CHESTER

Artez Chester was born in Jacksonville, Florida, on March 20, 1987, to the parents of Anita Chester and Harold Coleman.

Artez attended the public schools of Duval County and attended Revival Church of Jesus Christ under the leadership of Pastor Johnnie Griffin, Sr.

Artez was employed with JAXPORT for five years, where he served in a dual role specializing in undercoating and shadow driving. In this position, he was responsible for maintaining the condition and readiness of vehicles, ensuring they were properly serviced and protected. His dedication, reliability, and strong work ethic made him a valued member of his team.

Artez found joy in life's simple pleasures and the moments that brought him peace and excitement alike. He enjoyed spending time participating in casino activities, where he appreciated the thrill and social atmosphere. He also loved fishing, often embracing the calm and patience it required while enjoying time outdoors. In addition, Artez had a deep interest in cars, taking pride in their craftsmanship and performance. These passions reflected his vibrant spirit and the ways he connected with the world around him.

Above all, Artez cherished the time he spent with his daughter. Whether sharing laughter, creating memories, or simply being present, those moments meant the most to him. His love for her was evident in the care, attention, and joy he brought into their time together, and it remained one of the most meaningful parts of his life.

Those left to cherish his memory are his daughter, Ar'Teyja Chester; his father, Harold Coleman (Angela); his siblings, Arnitra Jackson, Danny Chester (Anthnetter), Daniel Chester, Artavia Chester (Twin Sister); aunt, Captrinner Cummings (Minister Michael); uncles, Joseph Gaines (Johnnie Mae), Larry Gaines, Capus Chester (Annette), CarLouis Chester Sr. and Bobby Gaines (Alpha); god mother, Beverly Zanders; niece and nephew, Elijah Jackson and Deionte Jackson; and a host of other relatives and friends.
