

*I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing.*

# REMEMBERING *Jim*

James (Jim) Melvin Doggett was one of six children born to the late Reverend Harvey and Geraldine Doggett on November 12, 1936, in Capels, West Virginia.

Jim honorably served 5 years in the US Airforce before marrying the love of his life, Shirley P. Doggett in 1969. Shortly after, a family was born with Chrishirella, Molena, Anika, and Jimmy entering their lives. Jim was affectionally known as *Frog* to his children/grandchildren and *Uncle Buddy* to his nieces and nephews.

Jim was an avid naturopathic; *Back to Barnesville* was a culmination of this passion. Coast to coast, Jim educated thousands on home remedies and natural ways to enhance their everyday lives. From school children to working professionals, the number of people he impacted can only be underscored. His most recent project involved empowering folks with natural hair care. An avid story teller, Jim was passionate about leaving a legacy of information and intentionality.

Shirley's job brought the couple to Puerto Rico for 5 years, and after the completion of her assignment, the couple returned to Barnesville, GA in 2005. Jim was intentional about the location, as it was across the street from where they built their first home together in the 70s.

Jim was proceeded in his death by his lovely wife Shirley and is survived by his children: Chrishirella Warthen, Molena Wells (Jerome), Anika Madden (Jevon), and Jimmy; along with his grandchildren: Jerome III, Jalen, Tyler, Janaia, King, James III, John, and Hope. He is also survived by his sibling Paul (Mary), and a plethora of nieces, nephews, and loved ones.
