

Her Journey's Just Begun

*Don't think of her as gone away-
her journey has just begun
life holds many facets
the Earth is only one.*

*Just think of her as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.*

*Think how she must be wishing
that we could know today
how nothing but our sadness
can really pass away.*

*And think of her as living
In the hearts of those she touched
For nothing loved is ever lost-
And she was loved so much.*

In Gratitude

The family wishes to express deep and heartfelt appreciation for the love, thoughtfulness and concern you have shown through your prayers during this difficult time. May God bless every one of you.
