

You have left our lives, but you will never

leave our hearts.

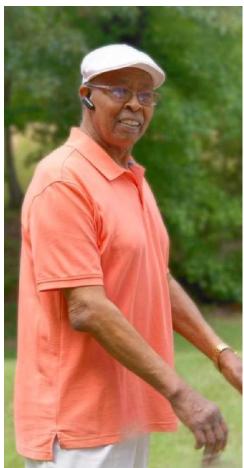

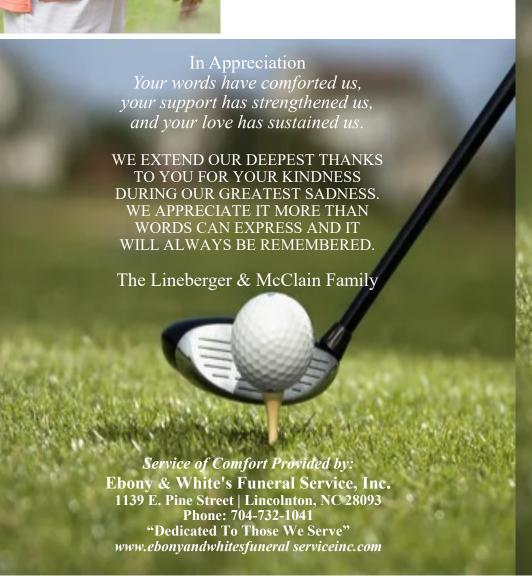

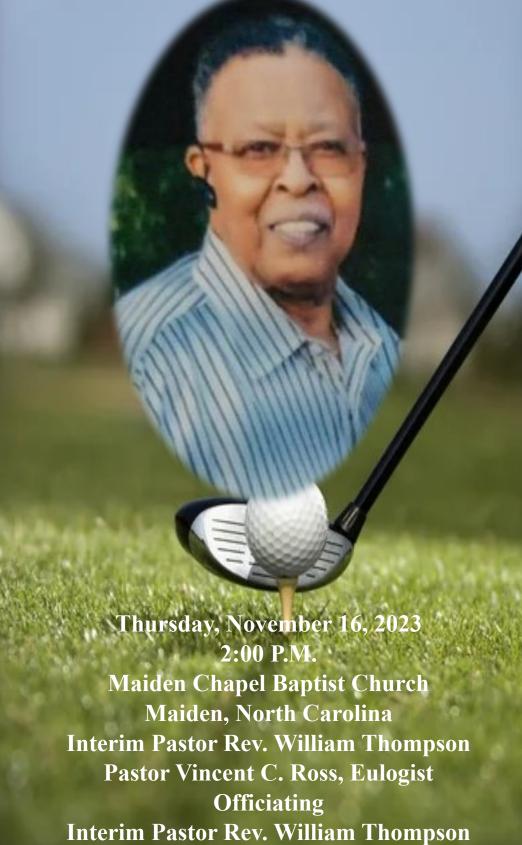

Remember me with love and joy, Let gratitude fill your heart. Thankful for the time we had, Gone...yet not apart. If we measured life in moments, Not in months or years, I lived a hundred lifetimes, Loved by all who held me dear. I hope you'll find your smile, And generously speak my name. Share stories and my heart, Your love for life unchanged. Celebrate the life I lived, I will be watching from above. I am always with you, Sending you my light and love.
