Recessional

You can shed tears that she is gone,
Or you can *smile because she lived*,
You can close your eyes & pray that she will come back,
Or you can open your eyes
and see all that she has left.

Your heart can be empty because you can't see her
Or you can be **FULL OF LOVE** that you shared,
You can turn your back on tomorrow
and live yesterday
Or you can be *happy* for tomorrow
because of yesterday

You can remember her and only that she is gone
Or you can **CHERISH HER MEMORY**
and let it live on,
You can cry and close your mind be empty
and turn your back,
Or you can do what she would want;
smile, open your eyes, *love and go on.*

Acknowledgement

The family acknowledges with deep gratitude, all expressions of love and comfort in the form of cards, phone calls, visits and most of all, your prayers during this period of our loss. May God bless you.
